By the river. A lonely mourner, who lingered late.
Though the grave was closed, the turf straight, And the earth was closed forever:
Out from the church-yard path she passed, And stood where the dead had loitered last.
While the crescent moon her radiance cast On the river.

And ever and aye, with the self-same song. The mighty rivers rolled along Twint the banks where the willows shiver; Through childhood's laugh and girlhood's sig While life drags on and old men die.

The Humming Bird Fairy.

BY AMETHYST WAYNE.

like saucers, so wide open were they in awe and admiration, and her mouth was like a cornelian ring. Master Hum thought she was going to cry out in delight, and he tapped her with his bill, in a grave warning fashion. So Mintie kept still and looked and lis-

I cannot tell you anything about the queen, because she was so much more splendid and beautiful than the fairy of the humming-birds, and I've exhausted all my lovely words in describing her. had a sceptre in her hand, and her robes were of white velvet with a diamond fringe to match the throne; and from all these diamonds under that Northern aurora light, there streamed out such a glory of scintillating sparkles, it was almost too dazzling to look upon. Then there were the most expensive methods and a piece of butter the size of an egg. When the oysters have become plump add the milk; this must be done carefulthere arose the most enchanting music: and when it ended the queen waved her wand, and the faries all rose, and it was Many prefer this soup without thickenlike the blossoms in a flower-garden sud-denly taking to themselves wings. The queen rose, too, and walked in dignified majesty, followed by six maids of honor, in silver dresses, with plumes in their hair, down the long line through the arches. There she paused, and said : Send now for my minister of state and | linseed oil and one partspirits of turpen-

the clerk. I will hold the court of justice before the feast is announced.' color, and leaves a lustre upon the There was a great flutter at these words, in a pink dress, with wings for all the when dry, rub with a woolen. world like the sweet-pea blossom, turn pale and eatch at her neighbor for sup-biscuit or bread crumbs enough milk to

Master Hum, tapped Mintie with his soak a while, then mash smooth, and add bill, and nodded toward her, and Mintie one cup of sugar, one half pound of butter, and the yolks of four eggs, well beatknew she must be the culprit. Pea-Blossom was creeping away under a brake leaf, when the humming-bird's fairy came hurrying after her, and brought with her two green-jacketed little fellows, who stood one on either side of Pea-Blossom, and kept guard over-side ov her. Everybody seemed to know just what to do. Half a dozen brought another throne, not shining with diamonds but made of jet; and the maid of "The yolk of egg is the best thing I fellow, sat at the queen's right hand, and his clerk with a basket of white peony and a plumpcherry for an ink bottle, sat gold with pure honey until the leaves beyond him; and a great silence fell are broken up and minutely divided, upon the whole place until the queen remove this mixture from the stone by a

meekly for the opportunity to give his | zinc dust for whitish gray, carbonate of

upon him for food. In performing his ardious task, he had the misfortune to fall into the clutches of a crafty animal, losing all his carefully gathered store, and only escaping with his life through the interposition of a friendly mortal. Weak with his fright and pain, immediately upon his escape, he set himself again to gathering the honey for his starving brood, and after much wearisome exertion he succeeded. He flew home, grateful for his safety and success, and behold! there, less pitiful than cruel animal or thoughtless mortal, a fairy, a frue, living fairy, with wings and wand, escape him and relentlessly robbed him never a drop for his crying children. To gratify her own indolence and mischle vous spirit, the wicked thief had robbed poor Master Hum. He had come to her, the patron of his kind, for redress; and the case before the august court, bowed ous task, he had the misfortune to attention, the humming-bird fairy laid the case before the august court, bowed and retired. Master Hum corroborated

CHILDREN'S COLUMN. pretty pink wings dropped down upon the mossy ground, and Pea-Blossom, with hanging head and shame-stricken face, stood before them all, that deplorable thing, a fairy without wings.
